hemshikha.com

Fashion designer in Gurugram with two years in the industry, working across ethnic and western womenswear. I take styles from trend research and hand sketches through flat sketches and graded tech packs to finished samples. Open to roles in Gurugram, Delhi, Noida, Jaipur and remote.

Experience

Senior Fashion Designer 2025–Present
Mezenor, Gurugram

Ethnic and western wear collections: flat sketches, tech packs and mood boards.

Selected projects

Dresses

Client project · S/S 25

Trend research and palette to seven sampled dresses, with a tech pack graded XS–XXL.

Co-ord Sets

Client project

Four sets in linen, denim and georgette, with graded tech packs and a final shoot.

Romantic Bloom

Print development

Two original floral prints in colourways, taken through to finished dresses.

Ibadat: The Eternal Bloom

Personal collection

Indo-western line inspired by Humayun's Tomb, from mood board to tech pack.

With Brave Wings She Flies

Personal collection

Cocktail wear translating sparrow-wing texture, from mood board to tech pack.
