PRINT DEVELOPMENT PROJECT

THEME: ROMANTIC
BLOOM

FLO

ROMANTIC BLOOM

Inspired by the enchanting beauty of summer gardens, this collection celebrates romance through blooming florals, vibrant colours, soft textures, and feminine silhouettes. Sunlit landscapes, delicate petals, and playful botanical elements create a fresh and dreamy mood. The collection reflects a carefree summer spirit—joyful, graceful, youthful, and effortlessly romantic, bringing nature's beauty into modern fashion.

Spring's color story features soft pastels like blush pink, baby blue, and mint green, complemented by bright accents of daffodil yellow, lavender, and coral. Crisp white and light beige add freshness. These colors evoke blooming flowers, new leaves, and clear skies, symbolizing rejuvenation and the awakening of nature.
